

WHAT IS THE CREATOR'S HOLY NAME ?

Why is it so important to call on the correct name of the heavenly Father? YHWH said that His people will know Him by His name. Most people feel that if they just simply call on a god, then he will answer them. But let's search the scriptures to see if this is true.

Psalms 99: 2-3

"YHWH is great in Zion, and He is high above all the peoples. Let them praise thy great and terrible name; for it is Holy."

Now if this were to read the way the translators wrote it would say "The LORD is great in Zion, and He is high above all the peoples. Let them praise thy great and terrible name; for it is Holy." Do you see the difference ? Where is the name in the translation? LORD is a title, NOT a name!

Let's look at another on ...Jeremiah 33:1-3
"Moreover , the word of YHWH came unto Jeremiah the second time, while he was yet shut up in the court of the prison , saying, Thus saith YHWH, the maker of it, YHWH who formed it to establish it; YHWH is His name, Call unto me, and I will answer thee, and show great and mighty things, which thou knowest not."
Isaiah Chapter 42:8

I am YHWH: that is my name; and my glory will I not give to another, neither my praise to graven images."

Then is it okay to omit calling on the name of YHWH and simply calling Him LORD? I think not! There are many lords that man has created for himself and worshiped. Different nations worshiped a god named Baal or Baali

and this name is translated "Lord". What does YHWH think of that? Well, let's see what He said to his people The Children of Israel.

Hosea Chapter 2:16-17

"And it shall be in that day, saith YHWH, that thou shalt call me Ishi (my husband), and shalt call me no more Baali (my Lord). For I will take away the names of Baalim out of her mouth, and they shall no more be remembered by their name."

Even using the name, Jehovah, completely distorts the Holy Name of the Most High EL. We actually give Him a name that is in direct conflict with His characteristics! This has to be one of Satan's greatest and most victorious triumphs in deceiving the whole world!

In conclusion, the english translation for YHWH is the four letter Hebrew Tetragrammation of the sovereign Creator of the universe. It is the name by which He Himself chose to be identified. It distinguishes the true El from all gods of the nations. It is the name that all intelligent creatures should know, honor and sanctify. Isn't it time that you began to call on His Holy Name- YHWH?
